Answer

To report incorrectly merged records or errors in records, use the [WorldCat Bibliographic and Authority Record Change Request](https://help.oclc.org/Metadata_Services/WorldShare_Record_Manager/Troubleshooting/Is_it_possible_to_undo_a…) form. Some changes may require proof in the form of a photocopy to undo the merge.

Additional information

See [Instructions and Guidelines for Reporting WorldCat Bibliographic and Authority Record Changes or Duplicates](https://help.oclc.org/Metadata_Services/WorldShare_Record_Manager/Troubleshooting/Is_it_possible_to_undo_a…) for information about changes requiring proof.
