CONTENTdm password reset

Last updated: Mon, 24 Jun 2019 14:29:42 GMT

Symptom

• You forgot your CONTENTdm password and need to reset it

Applies to

• CONTENTdm
• CONTENTdm Administration
• Project Client

Resolution

CONTENTdm uses Worldcat.org authentication and you can use the forgot password procedure.

https://www.worldcat.org/account/?page=forgot

Additional information

If CONTENTdm username starts with a CDM\admin or CDM\user these are considered legacy accounts and can not longer be managed. See adding new users here for more info.
