How do I merge ILLiad Lender Addresses?

Symptom

- You have two Lender addresses with the same address and you need to Merge them

Applies to

- ILLiad

Resolution

When you are merging Lender Addresses, it is a best practice to merge the higher address to the lower address number. Here is the documentation you need on [Merging Address Records](https://help.oclc.org/Resource_Sharing/ILLiad/Troubleshooting/How_do_I_merge_ILLiad_Lender_Addresses).
