How do I install an ILLiad Server?

Symptom

• You want to know how to install an ILLiad Server.

Applies to

• ILLiad

Resolution

You follow the Running the ILLiad Server Installation Program documentation. Make sure you also have set up the Server Configurations and Permissions. In the Information about the Server Configurations and Permissions, under the Application Development, make sure these boxes are checked:

1. Net Extensibility 3.5
2. Net Extensibility 4.5
3. ASP
4. ASP.NET 3.5
5. ASP.NET 4.5
6. CGI
7. ISAPI
8. ISAPI Filters
