How can I get to my SUSHI harvest results in License Manager?

Last updated: Wed, 10 Aug 2022 19:38:04 GMT

Symptom

- You need to get to your COUNTER statistics that have been harvested by License Manager's SUSHI harvesting.

Applies to

- License Manager

Resolution

Here are the instructions for getting to the reports:

1. Open WorldShare
2. Click the Licenses tab
3. Click Usage Data button on left
4. Click Harvest History button
5. Filter down to COUNTER 5
6. The list of databases with COUNTER 5 results will appear
7. Click on the View Details button for each vendor you want a report from

Additional information

You can find additional documentation on License Manager's SUSHI capabilities.
