  Find all training on the Shared Print Registration service.

• **Troubleshooting**

  [No image available](#)
Find frequently asked questions (FAQ) and troubleshooting steps (Troubleshooting).

- An OCN wasn't processed from the Shared Print file I uploaded
- How can I have an archiving program added to the approved archiving program list?
- How can my group get set up to add Shared Print registrations?
- My Shared Print holdings display don't match what I sent to be loaded
- Why does the “Shared Print” column appear in our holdings sometimes and not other times?

• **OCLC Community Center: Shared Print community**
