How Do I Update the Call Number Information on Items in My Personal List?

Last updated: Tue, 28 Jun 2022 17:59:50 GMT

Symptom

- You made a change to the call number on an item record(s), but the record(s) on your Personal List continues to display the old call number information.

Applies to

- WorldCat Discovery

Resolution

Personal Lists are a snapshot of when the item was added to the list. In order to update the item information:

1. Delete the item from the Personal List
2. Re-add the item to the Personal List
