FirstSearch

About FirstSearch

Uniquely valued by member libraries, FirstSearch will continue to be offered as a separate service from WorldCat Discovery. A FirstSearch/WorldCat Discovery subscription provides access to the FirstSearch and WorldCat Discovery interfaces.

For more information about the future of FirstSearch and WorldCat Discovery, see Frequently Asked Questions, Next steps for WorldCat Discovery and FirstSearch.

Additional details about plans for FirstSearch will be shared as they are confirmed. To receive ongoing updates about FirstSearch enhancements, register for Discovery and Reference email updates.

• Get started

  No image available

  Get started with FirstSearch.

  ◦ About FirstSearch
  ◦ Customize FirstSearch
  ◦ Manage FirstSearch
  ◦ Promote FirstSearch

• Authentication

  No image available

  Find information about authenticating FirstSearch.

  ◦ IP address recognition
  ◦ NCIP access

• WorldCat Admin

  No image available

  Learn how to use the WorldCat Admin module to customize your FirstSearch service.

  ◦ About WorldCat Admin
  ◦ Administer staff ILL settings
  ◦ Administrative module direct links
  ◦ Create deep links to your library catalog in the WorldCat Services administrative module
Customize databases and full text
  ◦ Customize Interlibrary Loan for patrons
  ◦ Customize passwords and timeouts
  ◦ Customize searching and library holdings
  ◦ Customize the Patron ILL Request Form
  ◦ Description of the administrative module
  ◦ Information needed to set up IP address recognition access to FirstSearch
  ◦ Link your library, FirstSearch, and other web resources
  ◦ Navigate the administrative module
  ◦ Send patron comments to your library
  ◦ Set up or change IP address recognition access to FirstSearch
  ◦ Use the WorldCat Services Admin module

• Search

  No image available

Find information about searching FirstSearch.
  ◦ Available databases
  ◦ Basic search
